

# Self Exclusion Request Form

To: *The Management of Macks Amusements*

Date: \_\_\_\_\_

I, \_\_\_\_\_ would like to avail of the self-exclusion facility and request that I be suspended from Macks Amusements for a period of time not less than that indicated below:

3 Months\*       6 Months       12 Months       24 Months       Indefinitely

***\*The minimum period of time recommended for self-exclusion is not less than 6 months.***

However, in order to facilitate customers who believe that 6 months is excessive, an option to self-exclude for 3 months is available, as this option is preferable to not availing of the facility at all.

***I understand that this suspension will only be removed when the period of time indicated above has expired, and I have submitted a written request providing an additional 24 hours notice of my intention to return to play in Macks Amusements.***

***I understand that if I attend the premises set out in this form during the period of self-exclusion and I am identified by the Staff of Macks Amusements, I will be requested to leave the premises. If I refuse or become a trespasser, I may be removed. I will not attempt to gamble at Macks Amusements during the period of self-exclusion. I will not hold Macks Amusements, its officers or employees liable for any claims whatsoever or however arising in the event that I fail to comply with my voluntary self-exclusion.***

***I further understand that this Notice is not a contract and I acknowledge that I had the right to seek independent legal or other professional advice before signing this form.***

***Please read complete document before signing.***
